

***How is a CACP/EACH Arranged?***

*Once admitted to the CACPs/EACH program, a package of services will be tailored to meet your individual needs.*

*The CACP/EACH Case Manager will discuss your needs and requirements with you and develop a care plan that will assist you to remain in your own home. This care plan is then agreed upon by yourself and/or your family. A copy is given to you. As your needs change, the care plan will also change, as agreed by you.*

*For more information, contact either Cobden District Health Services or Abbeyfield Society, Mortlake and ask to speak to the CACP/EACH Case Manager.*
